

International  
Network of Insurance

---

# INI Partners

The Global Network Partner Companies

---

## THE GLOBAL NETWORK

# SEAMLESS, COMPLIANT, COST EFFICIENT SOLUTIONS

## Why INI?

INI Partners are leading commercial and industrial insurers who are major players in their own markets with the capability, infrastructure and resources to offer fully compliant seamless solutions.

Established in 1979, INI is a Network of more than 120 market leading insurance companies, working together providing non-life insurance solutions for international customers and brokers globally.

- Global presence in over 120 Countries
- Compliant with international and local legislation
- Linked by contractual obligations and incorporating service standards
- Common IT platform for business exchanges
- Tailor made global insurance solutions
- Quality Monitoring & Management
- Offering all composite Insurance Lines
- Local knowledge and expertise
- Coordinated claims service involving both the programme leader and the local INI Partner
- Technical risk engineering
- A centralized office in Brussels managing general operations
- Annual Partner meetings, trainings, conferences and frequent knowledge exchange
- Cost effective
- All INI Partners have dedicated Coordinators who act as the local focal point for all Network business activity
